

Extended Leave of Absence Resource Guide

This guide is for Employees and Supervisors to assist employees in applying for Family Illness Leave

Please contact the Benefits Counselor at (704) 687-8134, or Benefits@uncc.edu should you have any additional questions.

NOTE: This guide is not intended to inform you about the various types of leave available, rather guides you through the process of applying for extended leave.

INSTRUCTIONS FOR THE EMPLOYEE

All of the forms mentioned in the steps outlined below are included within this resource guide. The forms mentioned in steps 1 through 4 should be completed <u>in advance</u> of beginning leave, unless an emergency situation arises. It is <u>your</u> responsibility, as the employee, the one requesting leave, to ensure that all forms are completed, approved, and submitted to the UNC Charlotte Benefits Office before taking leave as well as before returning to work. Approval for the leave is determined by the Benefits Office and when a decision is made, a letter will be mailed to you, the employee, with a copy sent to the supervisor.

- Step 1 Complete Part I of the **Family Illness Leave/Shared Leave Application** and return it to the Benefits Office. Note: This form is used to apply for (section 1) Family Illness Leave and/or (section 2) Shared Leave. You may apply for one or both of these programs. Return completed form to the Benefits Office.
- Step 2 Complete Part I of the **Certification by Medical Practitioner** form. Then give the form to your family members healthcare provider so that he/she can complete Part II. After completion, please return the form to the Benefits Office (King 207).
- Step 3 Process your leave requests and usage through the KRONOS system in advance of your absences when possible. You may use vacation leave, sick leave, bonus leave, shared leave if approved, or LWOP while absent. Be sure to use the notes section when requesting Family Illness Leave (FIL). Indicate that the leave taken is for FIL. The Benefits Office will record your FIL usage from the data keyed to KRONOS for leave reporting purposes. If you will be taking intermittent leave or need to work a reduced schedule while on FIL, you will need to provide your manager with a schedule of the times you will be absent in advance.
- Step 4 Provide your supervisor with periodic reports on your status and intent to return to work (at least every 30 days) and <u>prior to your expected return</u> to work date if your leave is extended.

REMEMBER: It is <u>your</u> responsibility to ensure that all forms have been completed and submitted to the UNC Charlotte Benefits office in advance of the leave.

INSTRUCTIONS FOR THE SUPERVISOR

- Step 1 Confirm with your employee that the **Family Illness Leave/Shared Leave Application** form <u>has been completed and submitted</u> to the Benefits Office (King Building, Room 207).
- Step 2 Have your employee process leave usage for any time he/she anticipates being away from work in KRONOS. Your employee needs to designate which hours are to be from accumulated compensatory time (if any), sick leave, annual leave, bonus leave, leave without pay, etc., and note that the time taken is for FIL. Please remember to use up any outstanding compensatory time first. Also, remember that an employee cannot use shared leave until sick, annual and bonus leave are exhausted.

Your employee should periodically (at least every 30 days) report his/her status and intent to return to work. By processing leave requests weekly, you can assure that the employee's leave balance will not be charged if the employee's leave ends earlier than expected.

Step 3 Be sure to review your employee's leave entries in KRONOS. Insure that the employee has properly noted time used as FIL in the notes section when taking time off for FIL purposes.
